Pediatric Environmental Health Grand Rounds Schedule

The Southwest Center for Pediatric Environmental Health (SWCPEH) and Texas Tech University Health Sciences Center El Paso (TTUHSC El Paso) are proud to sponsor a Pediatric Environmental Health Grand Rounds series. These grand round sessions will take place virtually, once a month from January to December 2023. CME and CNE credits will be offered. An event flyer will be distributed prior to each session, providing participants with more information on the speaker, topic and registration.
