Medical Surge in the Pediatric Context

Presented by:

Diane Hindman, M.D., Pharm.D., BScPhm, FAAP

Medical Toxicologist

Arizona Poison and Drug Information Center

University of Arizona School of Pharmacy

Tucson, Arizona

Dr. Hindman is a board-certified pediatrician and medical toxicologist, and registered pharmacist. She's an attending physician and is chair of the Pharmacy and Therapeutics Committee at Phoenix Children's Hospital, and medical toxicologist at the Arizona Poison and Drug Information Center in Tucson, Ariz. She received her pharmacy degrees from the University of Toronto Faculty of Pharmacy in Toronto and the University of Colorado in Denver. She completed her medical degree at Trinity School of Medicine in St. Vincent in the Grenadine Islands, pediatric residency at Rainbow Babies and Children's Hospital in Cleveland, and medical toxicology fellowship at Emory University and the Centers for Disease Control and Prevention in Atlanta.

Objectives: Upon completion of this session, participants should be able to:

- Familiarize the audience with the concept of medical surge and its importance.
- Highlight at-risk populations in a disaster or public health emergency.
- Outline considerations in planning for capacity and capability in a medical surge situation.
- Identify methods in which individuals can participate before, during and after a disaster or public health emergency.

Learning Outcome for Continuing Nursing Credit: 75% of participants will commit to a change in practice and self-report that this session increases their knowledge to identify environmental factors, threats, treatment and/or prevention to children's health.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approval Statement: Texas Tech University Health Sciences Center El Paso is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

1 contact hour. Learner must sign in and complete an evaluation.

Criteria for awarding ANCC nursing credit: Must join/log in on time, not miss more than 10 minutes and attend the entire activity. A completed evaluation of the educational activity is required to receive NCPD credit. We will capture identifiable information (name, credentials, and email address) as part of the evaluation survey. Upon return of the completed survey, we will send the certificate of completion to the participant at the email provided.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education (CME) to resolve all potential conflicts of interest prior to the activity.

Diane Hindman, M.D., Pharm.D., BScPhm, FAAP and the planners for this educational activity have no relevant financial relationships to disclose with ineligible companies, whose primary business is producing, marketing, selling, reselling, or distributing health care products used by or on patients.

- ❖ *The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.*
- ❖ *Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodations.*
